**Night Undone Inspired by 2010 Winter Olympic Games**

CAMBRIDGE, MD August 8, 2011 – Cambridge Books, a division of Write Words Inc., has released Night Undone, a new suspense novel by author K. S. Brooks. It is available in print and electronically through Amazon.com and other online venues.

In Night Undone, former Special Agent Kathrin Night and her partner, a Russian FSB Agent, travel to the 2010 Vancouver Winter Olympics where they hope to thwart terrorists plotting to disrupt the Games. “I went to Vancouver to see an Olympic hockey game,” Brooks explains. “I’d never experienced an Olympic event before, and it was awe-inspiring, for certain. I knew immediately this was something I wanted to write about.”

Five-star reviews for Night Undone are already posted on Amazon.com. It’s “a gripping, character-driven drama,” says author Newton Love. “I hope the sequel comes out soon!”

Since becoming a full time author in October 2008, Brooks has completed seven manuscripts, five of which have gone to publication. She has also authored children’s books Postcards from Mr. Pish, and The Mighty Oak and Me; the suspense/romance The Kiss of Night; and the action-adventure thriller Lust for Danger.
